Keyword Bidding Restrictions:

May not bid on any ADT Brand Keyword including ADT, related keywords or ADT trademarked terms in the search engines (Google, Yahoo!, MSN, etc). ADT brand keywords are defined as any keyword or keyword phrase that contains any ADT registered trademark or known variant thereof, e.g. ADT, ADT alarm, ADT security, ADT Home Security, QuickConnect, etc.

General Term Keyword Bidding guidelines:

General Terms such as "home security" or "burglar alarm" or any other word or phrase that do not include "ADT" are allowed and thus exempt from the keyword bidding restrictions. You may bid, whatever amount you like and as often as you like, on any general, non-ADT brand term.

Domain Name Restrictions:

Affiliates may not use the trademarked name ADT in their domain name.

The visible URL must not contain "ADT" or any ADT branded product name

AD Copy Guidelines:

The ADT Brand Keywords cannot be used in search ad titles or ad descriptions.

If the word 'Free' is used in the paid search ad description, then the same ad description must also include the words "\$99 installation fee and purchase of alarm monitoring services". Any mention of a Free offer must be accompanied by the legal disclaimer, upon Affiliate request the disclaimer will be provided by Saveology.

The Ad Copy must not include the word "Official" or in any way insinuate the ad is coming from ADT Corporate.

All URLs and landing pages, scripts, e-mails and print ads must be approved by the Saveology marketing department prior to launch or print. Please direct your requests for approval to Daphne Fernandes (dfernandes@saveology.com).

Telemarketing Guidelines

Under no circumstances will any Saveology.com affiliate make any unsolicited outbound telephone calls as part of a plan, program or campaign directly or including but not limited to ADT Customers or Leads. Telemarketing will be confined exclusively to responding by telephone to consumer inquiries regarding ADT goods or services received via Internet, telephone, e-mail or other electronic means.

Affiliate agrees that they will fully comply with all applicable laws, rules and regulations of the jurisdictions from and into which the affiliate makes calls. Affiliate agrees that it will refrain from calling any residential consumer before the hour of 8 a.m. or after 9 p.m. in the consumer's time zone. In states with more restrictive call curfew laws and regulations, Affiliate must adhere to both the federal and state restrictions. Affiliate may not use prerecorded messages in connection with Telemarketing Services on ADT's behalf.

Telephone calls in response to consumer inquiries will only be made AFTER "scrubbing" the consumer's phone number against ADT's internal Do-Not-Call list, via a method specified by Saveology.

Prior to making any telephone calls, Affiliate will scrub all telephone numbers for which outbound phone calls will be made on behalf of ADT against the ADT internal Do-Not-Call list at least once every week and on the same day of each week during the 90-day calling period referred to below.

As required by federal and state laws and regulations, all calls by Affiliate in response to consumer inquiries will cease ninety (90) days after the date of the consumer's initial inquiry.

Affiliate will submit to Saveology within five (5) business days of Affiliate's receipt, in a form and method specified by Saveology, the name and contact information for any consumer that requests to no longer receive phone calls regarding ADT's goods or services so that the consumer's name and number may be placed on ADT's internal Do-Not-Call list.

Upon Saveology's request, Affiliate will promptly provide:

Any outbound call list or dialer records of calls placed by Affiliate within the preceding twenty-four (24) months

Any other information required by ADT in any manner relating to Affiliate's Telemarketing Services

Email Guidelines

Affiliate agrees that, prior to transmitting any Commercial E-Mail to the List, it will scrub the List against ADT's internal Suppression List in the manner specified by Saveology. Affiliate will conduct such scrub at the last possible, commercially reasonable moment, **but not more than twenty-four (24) hours before the List or any member thereof is sent a Commercial E-Mail**. Affiliate will not transmit a Commercial E-Mail to any address on the ADT Suppression List.

Affiliate must obtain Saveology's written approval of its proposed E-Mail campaign and message (**Including the subject and from lines**) at least ten business days in advance of the proposed mailing. Affiliate shall not transmit any E-Mail that has not been approved by Saveology in writing. Affiliate agrees that Saveology's review of any e-mail campaign or message shall not relieve Affiliate of its responsibility to ensure compliance with all applicable laws, rules and regulations.
